**REQUEST FOR CERTIFICATE OF CORRECTION – APPLICANT’S MISTAKE**

Dear Sirs:

It is respectfully requested that a Certificate of Correction be issued for Patent No. 7,017,547, under 35 U.S.C. 255. The mistake was of a clerical nature and the request for correction does not constitute new matter or require reexamination.

Due to a clerical error applicant inadvertently omitted the assignee information on the “Part B – Issue Fee(s) Due Transmittal” form (PTOL-85) forwarded to the U.S. Patent and Trademark Office on January 23, 2006 by Express Mail, Label No. EV608903802US (Attachment “A”).

On February 24, 2006, applicant filed (via telefax) a “Petition Requesting Substitution of PTOL-85 Part B – Fee(s) Transmittal”, wherein a corrected form PTOL-85 (inclusive of assignee information), along with PTO Form 2038 authorizing credit card payment of the petition fee in the amount of \$130.00 (Attachment “B”). Applicant received an “Auto-Reply Facsimile Transmission” from the U.S. Patent and Trademark Office, dated February 24, 2006, confirming receipt of applicant’s above-mentioned facsimile transmission (Attachment “C”). However, Letters Patent No. 7,017,547, issued March 28, 2006, fails to include the assignee information.

Enclosed is a Certificate of Correction (form PTO/SB/44) under 37 CFR 1.323, requesting the assignment information be recorded on the Letters Patent as follows:

07/07/2006 CNEGAI 00000045 7017547

01 FC:1811 100.00 GP  
02 FC:1464 130.00 GP

"On the cover page, Column 1, after item (76) and before item (21), the assignment information should be inserted to read: -- (73) Assignee: Southwest Research Institute, San Antonio, TX (US) --".

The assignment was submitted for recordation before issuance of the instant patent (37 CFR 3.11) and was recorded at Reel 015283/Frame 0905, receiving a recordation date of April 30, 2004. (See Attachment "D" - Notice of Recordation of Assignment Document.)

The \$100.00 Certificate of Correction fee under 37 CFR 1.20(a) and \$130.00 processing fee set forth in 37 CFR 1.17(i) are enclosed. If it is determined that the amount enclosed is insufficient or an overpayment has been made, the Commissioner is authorized to deduct the fees required or credit overpayment to PTO Deposit Account No. 500808.

Applicant is of the belief that all requirements for the correction of the assignment information on Patent No. 7,017,547 have been met. Applicant respectfully requests a Certificate of Correction be issued.

Respectfully submitted,

**PETITION REQUESTING SUBSTITUTION OF PTOL-85 PART B – FEE(S) TRANSMITTAL**

Dear Sir or Madam:

This Petition is being filed as a result of Applicant's discovery that it submitted an incomplete PTOL-85 Part B – Fee(s) Transmittal form ("85 Part B") for the above-identified patent application.

Applicant inadvertently failed to include current correspondence address, application number, filing date, first named inventor, attorney docket number, confirmation number, title of the invention, application type, small entity status, issue and publication fee amounts, date due, examiner's name, art unit, and assignee information.

Applicant has prepared a corrected 85 Part B for entry into the record, which is included herewith. Applicant respectfully requests that the Petitions Department review this replacement 85 Part B and ultimately grant its Petition to substitute the corrected 85 Part B for the originally-filed 85 Part B so that the Letters Patent will reflect the appropriate information.

Applicant's counsel was advised by the Office of Publications that a Certificate of Correction is not necessary since the Letters Patent have not issued yet.

Applicant believes that all relevant information has been provided in connection with its Petition Requesting Substitution of PTOL-85 Part B – Fee(s) Transmittal, including the processing fee required for the filing of this Petition. The issue and publication fees were paid with the previous submission, so no additional fees are due. Should anything further be required, Applicant invites the Petitions attorney to contact the undersigned attorney directly.

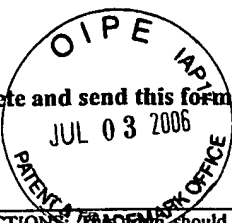

Respectfully submitted,
